

GUIDELINES FOR POSTER PRESENTATION

Dimensions: A0 - 84,1cm (width) x 118,9cm (height)

Title: Use the title of your abstract.

ID: Use the ID assigned by the scientific committee and locate it on the upper-right corner of your poster.

Presenter: Your name as it appears on your abstract. The presenting author has to be available by his/her poster throughout the Poster Session (16:00-19:00 PM).

Co-Authors: The names as they appear on your abstract.

Contents: should include a short introduction followed by methods, results, and conclusion. The Conference's logo might be used and may be downloaded (check Downloads)

Mounting your Poster The poster must be mounted from 8:00 to 9:00 AM. It will be on display the whole day. Locate your poster space by the poster ID. Posters should be attached to the poster boards with double sided tape to be provided by the organizers.

Removing your Poster All presenters must remove their posters at the end of the Poster Session
